

Adult Program Trip Jordan Lake, NC

Thursday, May 17, 2018 OR
Friday, May 18, 2018

Enjoy bird watching, nature being on the water or just spend the day at the lake? Choose to join us on May 17th OR May 18th, as we enjoy the sights and sounds of Jordan Lake. We will be leaving from the Anne Gordon Active Adult Center at Millbrook Exchange Park (1901 Spring Forest Road) at 9:00am.

Jordan Lake's 46,768 acres are not only a popular source of recreation but provides the water supply for surrounding cities, flood and water quality control, and fish and wildlife conservation. The lake offers nearly 14 miles of hiking trails wind across the hilly lakeshore, with most of them offering easy, brief hikes perfect for outings, spotting bald eagles and osprey or just relaxing by the waters. Following a disastrous hurricane, which struck the Cape Fear River Basin in 1945, Congress directed the U.S. Army Corps of Engineers to undertake a comprehensive study of water resource needs in the New Hope River Valley, now home to the corporate world of Research Triangle Park. The project was authorized in 1963, construction began in 1967 and dedicated in 1973.

Sit back and enjoy a guided pontoon boat tour of beautiful Jordan Lake. Captain Dave will navigate the waters where you will see bald eagle, heron, finches and other wildlife abound - so bring a camera! Following the boat tour the group will enjoy a nature and historical educational session along the lake's shores presented by NC State Rangers. Learn about the local predators and prey and how they fit into a food chain. Make sure you pack your lunch, sunscreen and beach chair as you will have some leisure time just to sit back and enjoy the water own your own. Want something a little more active? Bring your walking shoes and take a short self guided hike along one of the many hiking trails the Ebenezer Church Recreation Area has to offer. The group will arrive back at the Anne Gordon Center in Raleigh at approximately 4:30pm.
